

Davis County Library--Summer Family Fun 2005

Dragons, Dreams, & Daring Deeds!

During our Summer Family Fun 2005 you can earn a scale to put on the Library Dragon in the children's area as well as color in the scales on their own dragon. Just read one hour, then come to the library to write your name on a dragon scale. Help fill the dragon at your library with colorful scales!

Also, remember to color in a section of the tummy on the dragon below (after you print it) for every hour you read.
